### PGH Smile Boutique

**Rachel Navarro (patient), Dr. Andy Shieh and Olivia Suchko (patient)**

Our Boutique's ambiance is luxurious, modern and chic; the upbeat vibe is noticeable with your very first steps into our practice.

Clinically, Dr. Shieh's smile makeover results are nationally recognized and were featured by the American Academy of Facial Esthetics (AAFE) and the American Academy of Cosmetic Dentistry (AACD). One of Pittsburgh's Top Dentists as chosen by his peers, Dr. Shieh also earned the prestigious rank of "Top Contributor Doctor" on RealSelf.com where he shares his expertise with patients seeking answers about cosmetic dentistry. As a certified Lumineers doctor's office specializing in porcelain veneers and composite bonding veneers ("Same-Day Smile"), our amazing results speak for themselves — our patients are happy. If you want a dentist to fix your smile, there are plenty around to choose from. But if you're looking for an artist that can envision and create beauty that can truly change your life, then Dr. Shieh is the one you want to meet.
